

Three great golf cart solutions from PSH LLC.

Electric Golf Cart Heater

Twice the heat of other heaters while providing comfort and security. Easy to install. Complete instructions.

Now available with
the built-in

BCM Battery ChargeMeter

Similar to the fuel guage in an automobile. Comes built into the Golf Cart Heater (top image) or as an easy to install, steering post mount (bottom picture).

Model 1200 Cooling Fan

Keep cool in those hot summer days with the Model 1200 Cooling Fan. Puts out four times the air of those clip-on plastic models.
